Our Values

Simplicity

Easy to use, install and manage. We take the complexity out of VOIP.

Affordability

3CX costs up to 80% less than comparable providers with no per extension charges.

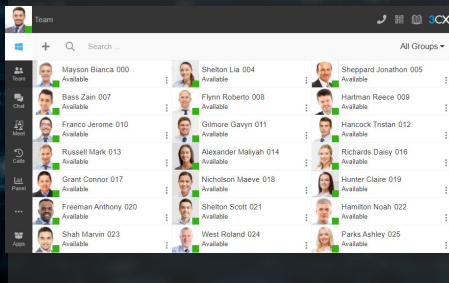

Flexibility

The power is in your hands. Choose your own trunks, devices & more.

Security & Reliability

Enterprise-grade protection and rock-solid performance. 3CX is trusted by 350,000+ businesses worldwide for its secure, high-quality communications platform.
